Study Skills For Life Course

“WOW! I’m done and I want more! I have always felt like I have never achieved anything in my life up until now! I am so happy! I have always thought that I was a bad student and that I would always fail, but I did it right this time. I know I can use this and I will use this technology. I really understand it and I really can make a difference to people’s lives now and I will. So watch out world, I’m coming! Next step, the Phonics Course! Thank you everyone at Applied Scholastics– Tanya, Alison and Jess!”
