

Special Edition Newsletter - Grand Opening

The Ribbon Cutting Ceremony

A Message from the Director

Our Grand Opening was an enjoyable occasion with great company, great food and lots of balloons. Many who attended commented on how professional our new Centre looked and that it has a nice atmosphere. Applied Scholastics WA wanted to provide an educational environment where students can feel good when they're learning and get the most out of their tutoring or courses. We now have a much larger space to operate from and have been able to accommodate many more students.

Every week we have had new students sign up for our courses (learning & grammar) and tutoring (phonics, mathematics and ESL). Our "Free Reading Club" has also been successful with children from all cultures learning to sound out words, understand the meanings of words and use clay to show their ideas.

A big "thank you" to everyone who has supported APS WA - this has made it possible to expand our organisation and assist more students with learning challenges.

Alison Tarrant
