

## Course Successes

“Thank you for helping me to learn new things. I can teach my brothers about this if they are having trouble. Now I won’t have trouble with my homework or my schoolwork. Thank you very much - I love it here at Applied Scholastics.”

“My name is Melbourne Hart. I would like to say that the *Learning How to Learn Course* was very good and very satisfying. I really enjoyed doing this course with Tanya. I now use this information in my workplace to better my work knowledge and I would recommend it to anyone who wishes to learn.”
